**"IS THERE NEVER A 'LET-UP' IN YOUR TRADE?"** asked a gentleman in our house last Saturday. The remark was prompted by having to wait a bit to get his wants attended to. Usually this is considered the dull period of the clothing business. The provisions we make to prevent trade apathy keep things on the move right along. Where else will you go to find the following lines of this kind of weather clothing and in quantities that every one can be suited? Panama Hats, 50c to \$5. Linen Crash and Wool Crash Pants, \$1.50 to \$3.50. Alpaca and Drap-de-Tes Coats and Vests, \$1.50 to \$7, the latter the finest of imported goods. Our Outing Crash Coats and Pants at from \$5 to \$16.50 have again been replenished with new styles. Our Negligee Shirts, of which we have an immense line, are the most comfort-giving boon to mankind just now. Our White and Figured Vests are greatly admired and largely bought by good dressers. W. L. Douglas and Hanan have become household words. Why? They give the satisfaction people expect that pay fair prices for shoes. Money or other shoes if they do not give reasonable wear.

### GOODBYE, NUISANCE!

The Sixth Ward Pond Now a Thing of the Past

Yesterday afternoon at 3 o'clock Chief Engineer John Eitel, and his assistant Ben Smith, tapped Cooper's Lake at Union street and the stagnant water that has been a stench and a breeder of malaria for years began to flow, much to the gratification of the army of boys and men who had assembled to watch the momentous event.

It is expected that the water will have disappeared by tonight, but it is doubtful if such is the case. In order to protect and keep the sides of the sluice from caving in the flow of water has to be regulated and the outgo slow and gradual.

The boys are anticipating a rich harvest of fish when the bottom of the lake is reached, and no doubt many will stand sentinel until the water entirely disappears, when there will be a scramble well worth seeing.

PARENTS who furnish toy pistols and blank cartridges for children to kill themselves ought to be indicted for murder.

For fear that some one may escape from St. Louis with a few pennies, the World's Fair Guards have been armed with slungshots.

WHILE placing your dough on the entries in the Democratic handicap at St. Louis, don't forget to lay a few coppers on your Uncle Grover.

IF MR. WILLIAM JENNINGS BRYAN doesn't succeed any better in defeating Judge PARKER than he did in electing himself his opposition will not amount to much.

WHEN fools quit helping the kitchen fire along with coaloil; when women quit stepping off streetcars backwards;—then it may be hoped that parents will have enough sense to quit giving toy pistols and guns and blank cartridges to their children.

THE scandals and corruption in the Postoffice Department, and the refusal of Republicans to permit any further investigation, are suggestive of hidden or concealed corruption. We are, therefore, in favor of a thorough investigation of all the Departments at Washington in order that fraud and dishonesty may be discovered and punished, and a pure and honorable and efficient administration of public affairs secured.—Kentucky Democratic Platform.

And now, please, how much "fraud" and "dishonesty" was punished when Honest Dick TATE ran off with the Kentucky State Treasury?

If any one isn't pleased with the present era of unprecedented prosperity, all he has to do is to vote for the Democratic candidate for President. When the Democrats are restored to power, he will have plenty of time to walk around to the free soup-house and get his three meals a day.

WHEN the Republicans said in their platform that they favor Congressional representation according to the number of voters in a state, as the Constitution of the United States provides, it was hardly expected that it would please the Solid South. But it is justice; not only that, it is constitutional.

SUIT has been filed at Trenton, N. J., to dissolve the Standard Oil Company, on the ground that it is illegal and exists in violation of the Anti-Trust Laws of the United States. Well, let 'er go, Gallagher; and when the Standard is put out of business, just watch the price of oil go up under "independent" production.

SECRETARY WILLIAM H. TAFT has a friend who is a farmer near a Maine Prohibition town. A stranger once went into the farmer's house, says the Secretary, and asked for a glass of milk. The farmer filled the glass with whisky, milk and sugar. The stranger after draining the cup handed it back and remarked: "My Lord, what a cow!"

GOVERNOR TOOLE of Montana has just pardoned WILLIAM WALTON, convicted twenty years ago of the murder of JOHN EDWARDS, near Deer Lodge, and sentenced to the Penitentiary for life. The pardon is the result of the confession of WILLIAM MILES, made at Kansas City June 13th, when he admitted having killed EDWARDS. WALTON, perhaps, was "convicted" on the same character of evidence that "convicted" CALEB POWERS and JIM HOWARD—and would like to "convict" Governor TAYLOR and ex-Secretary of State CHARLES FINLEY—of the killing of WILLIAM GOEBEL.

# An Ounce of Prevention!

No saying is so true as the old adage, "An ounce of prevention is worth a pound of cure." The glorious Fourth will soon be here, and with it the usual amount of danger. Why not lay in a supply of "hospital ammunition" and be prepared to greet the burns and other hurts that are sure to visit every home where there is a boy?

# "Do Two Things....."

Quick; Close out the entire stock in thirty days and get the CASH for every dollar's worth that leaves the house." Such an order from the Trustee is imperative and must be obeyed. ## Thousands Have Kidney Trouble and Never Suspect It.

**How To Find Out.**  
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

Many Old Settlers and some of later date are looking forward with pleasure and anticipation of the good time to be enjoyed July 4th at Ruggles Campgrounds. Among the drawing cards is the promised sketch of the Means-Barkley family.

All crops are doing well, including pumpkins, of which last mentioned, milk and pork produce, Maplewood Farm has thirty acres. If some heated capitalist will come up and start a canning factory Mr. Degman will supply the corn, apples and pumpkins.

Wheat in this end of the county has developed wonderfully during its two weeks tardiness in ripening. Although rather thin on the ground, heads are well filled, many of them measuring more than six inches in length. Timothy also is doing itself proud, many of its heads measuring over ten inches in length. Unfortunately its acreage in this community is small.

They say it was Doc Wallace's speech Monday night at Limestone Fire Hall that did the business. Solid chunks of facts, entwined with sparkling humor, rippled forth from the lips of the eloquent speaker with the ease and grace of a Chauncey Depew. Men became enthused and the ladies present actually threw their bonnets in the air in an ecstasy of delight and approval as the speaker advanced his unanswerable argument. Doc's presence is generally felt in a campaign when he takes his coat off and rolls up his sleeves and gets his articulator going in good shape.

## SOCIAL EVENTS

The pretty home of Mr. and Mrs. George Pollitt in East Second street was the scene of a delightful social gathering Monday evening. Mrs. Pollitt entertaining in honor of Mr. and Mrs. Preston Degman Wells. The house was artistically decorated, the principal colors being red and white. Dancing was indulged in from 9 to 12 p. m. and during the evening delicious refreshments were served. Mrs. Pollitt is a charming hostess, and her guests enjoyed every moment of the time.

The reception given last night by Miss Roberta Cox, at her home in West Second street, in honor of tomorrow's bride, Miss Marian Wormald, was a beautiful affair of "Hearts and Flowers."

Miss Wormald and Mr. Regenstein, with their bridal party, Miss Harriet Collins of Covington, Mr. Frank Wormald of Davenport, Iowa, Mr. Harry C. Curran and Rev. R. E. Moss, assisted Miss Cox in receiving.

The handsome home was made especially attractive for the occasion, with a profusion of sweet peas, pink carnations, Southern smilax and ferns.

On the tea table was a mass of pink sweet peas with smilax outlining a perfect heart of large dimensions. Miss Lottie Berry presided at the coffee urn, and the guests were handed fruit salad in cups made of ice, heart shaped. Sandwiches were also heart shaped and tied with pink ribbon.

The punch table stood in the large hall bay-window and there Miss Fannie Frazer very graciously dispensed good cheer.

During the evening about seventy-five friends offered their felicitations and congratulations to the accompaniment of sweet strains of appropriate music furnished by Miss Berry and Prof. Bullitt.

Frank Lyle Taylor, the colored boy who stole Miss Bowden's watch, took a diamond stick pin at the same time. Taylor had broken the pin and given it to his mother, telling her he had found it. The pin was recovered yesterday by the police. At his examining trial yesterday before Judge Whitaker he was held over in the sum of \$250 for his appearance at the November term of Court, and in default was committed to Jail.

## DR. OWENS REMOVED

Governor Beckham Appoints His Successor at Lakeland

Governor Beckham Monday directed the entering of an order on the Executive Journal removing Dr. C. C. Owens of this city as First Assistant Physician of the Central Asylum for the Insane at Lakeland, and naming Dr. M. H. Yeaman of Henderson as his successor.

No further information regarding the change of officials was given, and it becomes effective immediately.

Dr. Owens has been at Lakeland only a few months, having gone there from the State Institution for Feeble Minded Children, located at Frankfort, of which he was Superintendent for several years.

He was succeeded there by Dr. James Hill of Nelson county, who had previously held the place of First Assistant at Lakeland. The place vacated by Dr. Hill was taken Dr. Owens by the Governor after his removal from the Frankfort institution.

Raymond, son of Mr. Boyd Muse, is ill at their home in West Third.

## SENT TO THE PEN

One West End Tough Put Away For Four Years

The present term of the Circuit Court has certainly proven a Nemesis to violators of the law. Monday, after several bitches at the case, Thomas Mullen was fined \$200 and given six months in the County Jail for shooting and killing a horse belonging to Charles Haughaboo.

Mullen has asked for a new trial. Yesterday Ezekiel Smith was given four years in the Penitentiary for highway robbery. Smith waylaid and robbed Vincent Estep last March in the West End. He was arrested by Policeman Ryan and held over by Judge Whitaker to the Circuit Court in the sum of \$300.

The Daniels case for the shooting and wounding of Kemp Ball is now being tried.

Mr. Elasha Ricketts is ill at the home of his sister, Mrs. Samuel McNutt, in West Third street.
